

## MAJOR POINTS FOR MESSAGE

1. God owns it all.
2. We are stewards, managers, of time.
3. Characteristics of Time:
  1. Finite.
  2. Uncertain.
  3. Passing away.
  4. Cannot be recovered. It must be rescued.
  5. Precious possession to use for God.

## WHAT IS MY NEXT STEP?

1. Make today a wake-up call.
2. Do a "time-inventory." How much of your 80%, unproductive "common time," can be rescued and given to God as "holy time"?
3. Make time for God your priority.
