Some Prochoice Arguments

- It's a woman's body and she has the right to say what happens to it. [suicide, prostitution, DNA different]
- Its legal in America so it must be right.
- An unborn is not a child until "viable."
- I support a woman's right to choose even though I think it is wrong for me.

Key Points

1. God is pro-life
2. God's love extends to the unborn.
3. Life, personhood, begins at conception.
4. To take life, whatever the stage, is sin.
5. God instructs to rescue the innocent, the needy, the voiceless.

- **Exodus 21:22-23 (NASB)**
- ²² “If men struggle with each other and strike a woman with child so that she gives birth prematurely, yet there is no injury, he shall surely be fined as the woman's husband may demand of him, and he shall pay as the judges *decide*. ²³ But if there is *any further* injury, then you shall appoint *as a penalty* life for life,

4. To Take Life, Whatever The Stage, Is A Sin

A. God gives a consequence for taking life:

- Gen 4:11, life in general
- Amos 1:13, unborn child
- Ex 20:13, 23:7, life in general; the innocent

5. God instructs Us to Rescue The Innocent, The Needy, The Wounded

- Prov 31:8, Open your mouth for the mute, for the rights of the unfortunate
- Prov 24:11, Deliver those who are being taken away to death...
- Luke 10:29, But wishing to justify myself, he said to Jesus, “who is my neighbor”?

Next Steps

1. Study the Scripture. How has society impacted what you believe about abortion?
2. What if 46 million babies had been given up for adoption? Adoption is God's choice for unwanted babies. Support it.
