

# How To Make Friends With God

John 15:12-17

# Major Points for Today's Message

1. To be a friend of Christ, I must *believe in* Christ and *act upon what He says*.
2. The *depth of my friendship* with Christ is revealed by the extent to which I obey Christ.
3. My love for Christ will be reflected in my *willingness to surrender* everything to Him, to His purposes, even unto death.

# What is My Next Step?

1. What is Christ doing around you? Invest in it, time, resources, etc.
2. Examine your life choices: what do they reveal about the depth of your friendship with Christ? Are you a friend of Christ or of the world?
3. Are you doubting what God has already promised you? Repent and believe Him
