1 Samuel 16:1-13

1. Know that God has equipped, and anointed you with all you need to carry out His will, but in His TIMING!
(Proverbs 3:5-6; 16:3)

2. Know that what God has equipped, and anointed you with, does not have to meet human standards.

(Ephesians 2:10; 2 Corinthians 5:17)

3. Know that God is always in relentless pursuit for you, and He wants to use every second of our life, to show you how much He loves you, and the plans He has for you.
(Jeremiah 29:11-13)
