Matthew 2:1-12

# KEY POINTS

1. **The magi were not following a star. They were seeking a King.** [You cannot know God's will without seeking the God who willed it.]
2. **The magi came thirsty.** You cannot walk in the will of God without a spiritual thirst that is satisfied by walking in it.
3. **The magi acted.** You cannot be in God's will without acting upon what He has given you.

# KEY POINTS

4. **The magi had a reason to come.** You must have a reason to “come” or when the dry times come, you will stop or go your own way.
5. **They had a very clear purpose for coming.** To bring gifts as an act of worship.

# NEXT STEPS

1. Ask the Father to give you a “want to” to walk in His will for the New Year.
2. Identify the reason why you come to church. Identify the reason why you seek the Lord. Ask God to clarify the reason and establish it as a priority in your life.
3. How are you walking in the will of God right now? Ask God to give you a spiritual satisfaction that feeds you to keep walking.
